GALEO Creates the GALEO Latino Community Development Fund

Happy Holidays from GALEO!

We hope you and your family will have a wonderful holiday season and a prosperous new year!

In 2004, GALEO has made tremendous strides which could not have been accomplished without the support of our members and volunteers. Thank you to all of our friends and funders!

In addition, we would like to take this opportunity to ask for a tax-deductible contribution to the GALEO Latino Community Development Fund. This sister organization of GALEO will be critical for the Latino community in leadership development, civic engagement, and voter registration and education. The GALEO Latino Community Development Fund was created to position GALEO to work on our community outreach and charitable efforts while also becoming eligible for tax-deductible contributions and competitive for grant funds. Please contribute a generous, tax-deductible donation of $100, $250, $500 or more to support the GALEO Latino Community Development Fund! Your support is critical to the development of our Latino community.

Thank you for a successful 2004 and we look forward to a prosperous new year!

Sincerely,
