Our Canvassers got together for training! Around 36 of our GALEO Canvassers from all over the state attended our summer canvassing meeting. We went over our campaigns and canvassing methods and role-played in groups. Having them all together was a fantastic learning experience; our canvassers are even more prepared, so they can keep doing their outstanding job. 185 Voter Registrations already, and more than 600 Surveys done! They are really giving it all and working tirelessly for our Latino Community.

Puente para la Gente Survey

We officially launched our initiative to gather information about the concerns, needs, and issues that affect our Latino community in Georgia the most. It was 20 years ago when the last Latino report was handed to the Governor of Georgia; that is why Puente para la Gente is vital and crucial now, so we can get our voices heard at the Capitol of Georgia. We will deliver this report to the legislators and representatives to help build a real Latino Agenda for 2024. It's time for the Latino Community to step up and be heard! The best part is that you can be part of this too! Share our videos in [English](#) and [Spanish](#), take the [Survey](#), and spread the [voice](#).

Hello GALEO Familia,

We are beyond excited to announce that our Puente para la Gente Survey is LIVE! It has been over 20 years since the last Latino Forum Report was issued to the Georgia Governor. Make sure you fill out the survey to make your voice heard all the way to the Gold Dome. We are also celebrating 20 years of GALEO and I want to thank our 20th Anniversary GALA sponsors! Without you, we would not be here to celebrate 20 years of good work in our communities.

Un abrazo,
Jerry Gonzalez
